

# BREMAR

**Bremar Construction Ltd., a wholly owned subsidiary of Aecon Group Inc., is a commercial and industrial contractor engaged in various sectors across Canada particularly in the utility sector in Western Canada and in the nuclear sector in Ontario.**

Our expertise and personnel are respected throughout the industry. Driven by a company-wide commitment to provide the highest quality construction services, on-time and within budget, we have continued to evolve in a changing market.

As a wholly owned subsidiary of Aecon Group Inc., Bremar incorporates the best practices and history of excellence in the areas of safety, quality, construction, and project management.
